"Busworld India 2018, the 8th edition in the series, will be organized in Bengaluru and offers an excellent opportunity for bus and coach manufacturers, component suppliers, technology providers and market leaders to showcase latest products, technology, services and solutions.

The exhibition provides a level-playing field for facilitating trade opportunities and is a chance for companies to establish themselves in this rapidly growing market and connect with existing and potential clients directly. Exhibitors can choose from bare space options, shell scheme packages as well as sponsorship packages".

A SUCCESS STORY

Busworld has been successfully organized in India exclusively for the bus and coach industry in 2005, 2007, 2009, 2011, 2013, 2015 and 2016 with all editions witnessing consistent growth.

THE GLOBAL BUSWORLD

Busworld began in 1971 in the Flemish town of Kortrijk in Belgium. Today, Busworld has completed 45 years of success and established itself as the most recognized international exhibition in the world exclusively for the bus and coach industry. Busworld exhibitions are currently being organized in Belgium, Latin America, Russia, Turkey and India.
